### CALL FOR PAPERS/POSTERS/ABSTRACTS

9th International Conference on Advances in Science, Engineering, Technology and Waste Management (ASETWM-17) scheduled on Nov. 27-28, 2017 at Parys, South Africa. (Approx. 100 km from Johannesburg) is for the engineers, practitioners, scientists, researchers, scholars, and students from all around the world and it also includes the industry people to present ongoing research activities, and hence to foster research relations between Academia and industry. The conference is sponsored by Eminent Association of Pioneers (EAP). This conference provides opportunities for the delegates to share new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration. All the submitted conference papers will be peer reviewed by the program/technical committees of the Conference. The conference is being organized under the patronage of North-West University, Potchefstroom Campus, and Eminent Association of Pioneers (EAP).
