

CALL FOR PAPERS/POSTERS/ABSTRACTS

8th International Conference on "Advances in Engineering and Technology" (AET-17) scheduled on Sept. 6-7, 2017 at Budapest (Hungary) is for the engineers, practitioners, scientists, researchers, scholars, and students from all around the world and it also includes the industry people to present ongoing research activities, and hence to foster research relations between Academia and industry. The conference is sponsored by Eminent Association of Pioneers (EAP). This conference provides opportunities for the delegates to share new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration. All the submitted conference papers will be peer reviewed by the program/technical committees of the Conference. The conference is being organized with the joint efforts of International Institute of Chemical, Biological & Environmental Engineering, Eminent Association of Pioneers and Avicenna International College, Budapest (Hungary).
